**PERSONAL STATEMENT**

I'm an adaptable and innovative qualified Architect with almost 8 years experiences creating architectural designs.

I'm looking to develop my expertise in new concept development, simulation and validation within a forward thinking company.

**Profile:**

- Creative approach to solving issues
- Keen on Revit using
- Work experience in managerial positions (4 years)
- Almost 8 years' of post grad experience across a range of complex typologies, including hospitality, residential and commercial, and with a good understanding of facades.
- Organized and self-disciplined, teamwork friendly.
- Trying to improve my skills, enjoying to discover new sides of architecture.
- Ability to make decisions, act independently for the benefit of the company.
- Love media art and photography

---

**EDUCATION (full-time):**
